

This attestation must be completed and signed by the school principal/head who attests to the teacher's duties at the cadwork-approved school.

REMINDER OF RULES :

The right to use the "teacher" version of cadwork is limited to the duration of the teacher's position at the school.

Teachers are required to notify us of any departure from their position.

The version is personal and may not be lent or passed on; it may only be used for school purposes and may under no circumstances be used for commercial purposes.

Teachers must comply with the terms and conditions of the "teacher" version, available from www.cadwork.com in the Training/Education section, Education license, Teacher license, "Request my teacher license".

Abuse of the "teacher" version may result in criminal prosecution.
